"Welcome to Hagen's"

Hotel restaurant in Bremen-Hastedt. Right in the middle of the romantic scenery of unaltered past we spoil our guests with everything the heart desires for two years now. Not only do our hungry guests from outwards like our food. There are also people from Bremen who enjoy our typical regional dishes with selected specialties: From Bremen's Knipp to leg of lamb. There are many guests, even hotel guests who visit the Hanse Komfort Hotel since two years. Alone, with friends or with business partners. You can also celebrate an event here. Therefor we offer you and your guests a wide selection of unique entertainment programmes. Of course in a typical way for Bremen. Hardly elsewhere is hanseatic tradition lived like in our hotel restaurant Hagen's. The cosy rooms are lovingly restored and provides space for 10 to 50 people. On request we also arrange events up to 90 guests therefor we can reserve the whole restaurant. And because our rooms are all so individual and comfortable, your celebration will always be personally! Enjoy gorgeous hours at our hotel restaurant Hagen's in Bremen-Hastedt. We make a great effort to make your stay to an unforgettable experience.
